Hello everyone!

We're excited to share this update with you of our ministry opportunities over the past couple of months and seek your prayerful partnership with us as we plan for the days ahead! For more information, go to: euromedimpact.blogspot.com (or use the QR codes below!)

Ukraine Week In DC 2024

Bob attended for the third consecutive year. While there he met with ministry and government leaders from the USA, Ukraine, South Korea, Macedonia. Beyond the obvious focus on the war, there was a major focus on Ukraine's commitment to be obedient to the Great Commission – to reach the world with the gospel!
