

# Special Announcement from Bob & Carol Marsh

Hello!

This is a quick note about a new opportunity in our ministry.

This past Tuesday, Ivan Veldhuizen, the Senior Vice President of Converge, announced that Bob has agreed to serve on the International Ministries Leadership Team as a “Global Leader.” The IMLT is a newly-formed body which will provide overall direction to our global efforts. It emerged from an ongoing emphasis to shift management of the field to the field. Leadership of the organization will be provided by leaders who remain active in the field.

In keeping with this desire, Bob’s new responsibilities as **Global Leader** will be *in addition to* current mission efforts. Therefore, he will remain as the **Mission Catalyst Team Leader** and will provide Leadership for **the Europe and Mediterranean Region**, working with local ministry leaders and Converge team leaders in the UK/Ireland, Nordic Baltic, Eastern Europe, North Africa, and the Middle East. Positions on the IMLT will rotate between Global Leaders, and Bob has agreed to serve an initial term of 2 years.

As partners in our ministry, we want you to be fully aware of this additional opportunity to serve the Kingdom of God, and the additional responsibility that it represents. While eventually the IMLT will meet six times per year, in this initial season, it is meeting weekly for extended virtual meetings. We will also have in-person meetings a couple of times per year. The first of those meetings will be held in early April in Brussels, Belgium (a central location for each of us). We also want to assure you that Converge will be covering all expenses for this new role, and your financial support to our ministry will continue to be used for the specific field work that we do in places like Romania, Ukraine, and across the region.

We have not entered this lightly. We have prayed about this invitation and felt God’s very clear release to serve in this role. Our experience in recent months has demonstrated His provision in every aspect of our lives. We are humbled beyond words at His grace and leading in our lives and ministry.

Thank you for your partnership! Your prayers and financial support allow us to serve our King and His kingdom!
