

# IMPACT!

Hello everyone! We want to share a quick update on our ministry...it's been a very hectic and trying season with two wars raging! Converge has set up Relief Funds in response to both needs.

## ISRAEL

We're all heart-broken about the events in Israel and the threat to peace across the Middle East. We are in contact with our staff and with local movement leaders in Israel, Lebanon, and Egypt. They are shaken and deeply concerned. Pray for Margalit, Beni, Jeremiah, Ashraf, Allan, Chaim, Youeel, and their families. There are many other gospel movement leaders throughout the area. There are brothers and sisters in Christ among the Israeli, Palestinian, and broader Arab populations. Pray for them as they strive to bring the light of the gospel, the only source of true peace, to their unbelieving families, friends, and neighborhoods.

## UKRAINE

Bob completed a 10-day visit to Kyiv, Cherkassy, Rivne, and Ternopil Oblasts in September. He introduced Converge Regional Director Dennis McMains to the national and local movement leaders we've been working with for the past 4 years. The evangelical church in Ukraine is experiencing great growth even as they face great challenges. There are nearly 1,000 churches without pastors, and a need to plant hundreds of new churches to minister to the people flooding the current churches. We are working to encourage existing pastors, train lay leaders to fill pulpits, raise up a new generation of leaders and church planters.
