

November Ministry Update

Surgery & Recovery

Bob had gallbladder removal surgery in October. It's one of the most common surgeries done, but required time for recovery. That being said, it's been a really productive month of ministry activity. It's during times like these that we get to marvel at what God is doing through our team of Gospel Movement Catalysts throughout the region! Check it out!

Ashraf in Egypt

Ashraf Ibrahim is currently in Egypt where he is engaged in multiple ministry projects. He's working with pastor and leadership development and accountability, disciple making efforts, teaching and preaching, and humanitarian efforts in Cairo, as well as central and southern Egypt. Pray for Ashraf, and learn more about his ministry at: <https://www.converge.org/global-worker/ashraf-nivin-i>

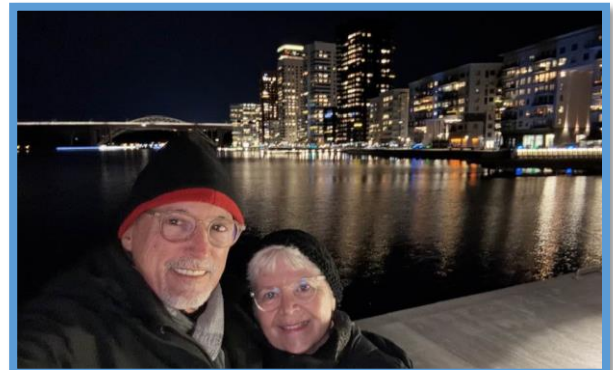

Bill in Estonia & Latvia

Bill Ankerberg spent two weeks ministering in the Baltics. He taught at a pastors and wives conference in Estonia, spoke at many churches, and met with leaders of the evangelical church there. Then he was off to Riga, Latvia, where he taught classes and spoke at the Baltic Pastoral Institute, and attended their annual pastor's conference.
