# OPERATION WELCOME HOME

## Kyle & Matilda Tromanhauser

**On August 7, Kyle and Matilda Tromanhauser will be moving stateside after faithfully serving the Lord in Germany for the past 10 years.**

As they transition into the next chapter of their lives as faithful servants of the King, they will be settling in the Twin Cities area of Minnesota.

Due to the nature of an international relocation, they are unable to bring many of their household belongings with them as they re-start their lives in the United States. Below are a few examples of items they need, and links to various ways you can support them. The greatest need, as you can imagine, will be financial assistance as they move and search for a new home.

***Please prayerfully consider supporting these faithful heroes of the kingdom as they return from their service abroad!***
